

CONFIRMATION REACH CONFORMITY

Issuer:

Wöhner GmbH & Co. KG
Mönchrödener Str. 10
96472 Rödental, Germany

REACH Regulation (EC) No. 1907/2006 entered into force on 1 June 2007. The aim is to ensure that all substances produced and used in the EU do not have a negative impact on health and the environment.

Our products represent “manufactured items” in the sense of the REACH regulation. The duty to inform acc. to paragraph 33 regarding substances in manufactured items only applies to the so-called especially alarming substances which fulfill the criteria of paragraph 57. We are in constant contact with our suppliers regarding substances subject to registration; we have advised them of their obligation to preregistration and will immediately forward REACH relevant information to our customers, if necessary.

According to the current state of knowledge, Wöhner supplies products containing substances listed in Annex VII Candidate List (SVHC list) Issue date ECHA 17.01.2022 (223 substances) in a concentration above 0.1 mass per cent. These are lead (Pb) (CAS no. 7439-92-1) with more than 0.1% in the brass material of the respective component. In the load switches CAPUS type SD1 to SD3 the contacts contain cadmium oxide (CAS no. 1306-19-0).
